ENTERING THE COVENANT

January 1, 2016

And at the end of eight days, when He was circumcised
.... (Luke 2:21a).

Long before the first Christmas God chose Abraham, set him apart from his family and neighbors, sent him off to a new land, and promised to make him into a great nation. He promised that from his offspring God would raise up the great Savior whose birth we celebrate during this Christmas season.

God made a covenant, a glorious agreement with Abraham, promising He would richly bless Abraham and all his descendants. Abraham was circumcised as a visible, physical sign to remind him daily of the covenant that stood forever between him and his God. All his male children were to share that sign of circumcision when they reached eight days of age.

In many ways, it was a one-sided covenant. God made all the promises and did all the work. All He asked of Abraham and his descendants was that they dedicate themselves to Him, love and serve the Lord alone. But repeatedly through the Old Testament, Abraham's descendants failed to keep the covenant.

Now Jesus enters that covenant in our place. He takes all its obligations upon Himself, shedding His blood to seal His allegiance to God His Father. His entire life will be one of obedience to God, loving, fearing and trusting His Father before all things. And in the fullness of time, He will shed His blood anew on the cross. There He will wash away all our sins.

THE PRAYER: *Lord Jesus, thank You for placing Yourself under God's plan in our place, that we might be saved from sin, death and hell, and given a place with You in heaven forever. Amen.*

FROM PASTOR MARK

Starting in 2026, St. John's will offer a mid-week worship service year-round. On Wednesday evenings at 6:30pm we will have a spoken word service. We know our lives have become busier, travel is easier, and the world increasingly does not care about Church as it schedules more and more activities even on Sunday mornings. However, it is our desire to help our members prioritize worship while also living in this world (though we are not of the world). When Lent and Advent seasons arrive, we will transition the worship service appropriately to mid-week services. We will also offer Bible studies and Gatherings throughout the year on Wednesdays (schedule to come). As your pastor, I hope to see more and more attend weekly worship, receiving our Lord's precious gifts and encouraging one another as we travel through this world together with our Lord.

Also Starting in January, Lori Colbert will be offering a discussion group walking through the Bible in 1 year using The Bible Recap book. This is a wonderful opportunity to open up the Scriptures and abide in God's Word. Lori is available for questions via email lorikay61@gmail.com.

Men, are you interested in pursuing a path of Christian masculinity and discipline? Check out Memento at www.memento70.com. Memento is a new men's devotional and discipline system backed by LCMS pastors and theologians. Its foundation is built on discipline, devotion, and brotherhood, drawing from the historic rhythm of the Church Year to provide a path that is both ancient and deeply relevant today. Please let us know if you are interested in joining a group of us on this journey by contacting Pastor Mark (mwinkelman@stjohnsredbud.org) or Mike DeRousse (derousse@gmail.com). The program officially begins on January 1st but you can join us anytime!

GREETINGS FROM PASTOR NOWAK

Greetings in the Name of our Lord and Savior Jesus Christ,

I pray everyone had a Blessed, Safe, and Merry Christmas. Well, another year has come and gone.

Yet, instead of looking at it as just another year that has passed, let's think about where we've come. What are some of the things you were able to accomplish this past year? Did you read any of those books you've been meaning to read? Did you take more time off to relax and enjoy God's great creation? Did you take that vacation you've been wanting to take? If so, good for you. If not, what got in the way? What changes can you make to make sure that you can accomplish that task this year?

How about your spiritual life? What accomplishments did you make there? Did you start reading the Word of God regularly? Did you begin the day with a prayer or a devotional reading regularly? Did you start attending church regularly? Did you pray as a family before meals? If so, good job. If not, what steps could you take to accomplish one of these goals this year?

As we look forward into the new year, do not allow yourself to focus on the negative. Do not focus

on the things that you were not able to accomplish last year. Instead, let us see the new year as a clean slate. A clean slate means no judgments or accusations on the past. Look at the new year as a new opportunity to start fresh.

So, why not start by making some honest and easily attainable goals for the new year? Start with some easy-to-attain goals, and as you become successful in completing those goals, then move on from there. Building some positive momentum can help. As the old saying goes, "a rolling stone gathers no moss."

I pray that as you enter this new year, you find yourself accomplishing more goals than you ever could have imagined. Not everything comes all at once. Some goals take longer and are harder than others. However, sometimes we must wait, for all good things come about in God's good timing.

I pray that you also take time to reflect on all of the blessings God has provided to you. I pray you will take time to realize all the wonderful gifts God has blessed you with and thank and praise Him for those blessings. If you need help, you can always contact Pastor Nowak (708)369-7741.

Receive the Benediction of the Lord –

The Lord bless you and keep you.

The Lord make His face shine on you and be gracious to you. The Lord look upon you with favor and give you peace. AMEN.

Pastor Brian Nowak

From Your Director of Christian Education

A Blessed and prosperous New Year as we begin 2026. In hymn 896 from LSB, *Now Greet the Swiftly Changing Year* we sing in stanza one: "Now greet the swiftly changing year with joy and penitence sincere, Rejoice! Rejoice! With thanks embrace another year of grace." It is God's undeserved kindness that we do not achieve ourselves, but Jesus has secured our eternal and Heavenly home by His death and resurrection!

With the help of the Senior Youth a free-will offering lunch will be provided before the Voter's meeting on January 25 starting at noon in the Fellowship Hall. The menu will be announced in the bulletin and church/school's Facebook page at a later date. The current Seventh Grade class is hosting a Glo-Bingo event on January 3. See the flyer for more information. On Monday, January 5, the Eighth-Grade parents will meet at 6:00 pm in the school's cafeteria for a class trip meeting. The Sixth-Grade class is hosting a Daddy/Daughter Dance on January 24. The Junior Youth event will be Monday January 19th – Slick City – Chesterfield, MO. We will meet at the school parking lot at 11 am – More details to come!

The Sunday school teachers will meet on Monday, January 26 at 6:00 p.m. in the school's library.

I pray your 2026 finds time for worship, fellowship, and the study of God's word as we begin another year with the grace and mercy of our loving God: Father, Son, and Holy Spirit!

Happy New Year, DCE Bill Becker

A Musical Moment

Happy New Year! I hope everyone had a wonderful Christmas this year! I hope you had time to celebrate our Savior's birth, spend time with loved ones, and get some much-needed rest and relaxation! After all the busyness and extra duties of the Christmas season, I'm looking forward to slowing down and starting this year new calmly and quietly.

After taking a break, Adult Choir and Bell Choir will start back up again in January with weekly practices. Adult Choir will begin on Monday, January 5th and Bell Choir on Thursday, January 8th. Both groups will play/sing about 2 times a month in weekend services from now until May. If you have a New Years Resolution to become more involved with the church, and you enjoy singing, please consider joining the choir!!

School will be starting up again on Tuesday, January 6th. Right away, I will begin working on

music for the Spring Musical on April 24th with the K-8 grade students during Thursday choir times. Oftentimes, I'm looking forward and planning for the next big project and it's hard to slow down and enjoy the present moment! But in this season of winter, God's creation is doing just that: Resting. If God has created our natural world with the need to rest, renew, and rejuvenate,

how much more has He created us for that very need? I pray we all receive the rest, renewal, and rejuvenation during this mid-winter month! My New Year's Resolution for this January is to recharge my batteries after Christmas has depleted them. Once re-charged I can begin the extra duties of Lent (which starts on February 18th), with energy, vitality, and vigor! May God be with us and bless us in this new year and always! In Christ, Mrs. Lindsey Hudak

From the LCMS Foundation

Rick boasted to Allen, "I just watched a YouTube video and was able to fix my twenty-year-old clothes dryer. I am feeling so confident now, that I bet I could use one of those online tools and write my own will too. I can probably get this all done for less than \$100." Allen, who had just worked with his attorney, said, "That's impressive that you fixed your dryer. But let me ask a few questions. Do you own property in more than one state? How are you going to choose who serves as your personal representative? Which choices for end-of-life medical concerns are you going to choose? Would inheritance to family be best in a lump sum or stretched over time? What is the most tax savvy way to minimize taxes when making a charitable gift? I don't think you are going to get all these answers through YouTube."

The reality is, there are many self-serve opportunities in life, from ATM's, to self-checkout at the grocery store to ordering a ride at the airport using Waymo, the autonomous cabs. But you don't get to self-diagnose illness or write your own prescriptions. You need a doctor to do that. You can't fill your own air conditioning unit with refrigerant. A licensed technician must do that.

So also, in the complex world of estates, you need the assistance of those who specialize in doing this work, to make sure that mistakes don't happen. Your attorney or financial advisor bring much to the table. But sometimes they specialize in wealth creation or wealth protection. Your LCMS Foundation Gift Planning Counselor specializes in charitable gifts and the smartest way to use the right asset, in the right way for the right gift. It takes a team. To get your team all pulling for you, helping you in your faithful stewardship of God's gifts, your LCMS Foundation Gift Planning Counselor can assist. Sunday School

Sunday School teachers will meet on Monday, January 26 at 6 p.m. in the school's library.

Principal's Pen

Happy New Year! I pray for health and safety for everyone in 2026!

The month of December went by quickly as we held many Christmas services. Our Kindergarten through 5th-grade students started the Advent Season off with their service "Behind the Manger Scenes" on December 3rd. Our Daycare and Preschool students completed their service entitled "To Us a Child is Born". The final Christmas Service performed by the 6th through 8th grade students is entitled "Hope in a Manger". This service was held on December 17th. It mimicked the Road to Bethlehem in actions from actors but was a revamping of the speaking parts and songs. We were so delighted to welcome guests to these services and enjoyed the ambiance of fellowship that came with it, and the opportunity for the children to so proudly share the miracle of Christ's birth. Have a blessed Christmas!!

Many thanks for the many cards, gifts, food, and hugs given at Christmas. All of the faculty and staff appreciate your support. This "thank you" also includes the Christmas bonus given to us by the congregation. We are so blessed by all of your support!

Speaking of blessings, we are all very blessed to have everything the Lord has entrusted to us. We have been blessed in this way and are working to be a blessing to others in our community. This has been done by our

school as a whole. We have been decorating a “Warming Tree” in the lobby near our school entrance. The coats, scarves, hats, gloves, socks, and blankets will go to support students in need of these items. Thank you to Sara and Cynthia for continuing this tradition at St. John’s Lutheran. Mr. Becker, the daycare, and each classroom collected donations and then shopped for an LCFS Child. Finally, the students in junior high have been a blessing of friendship and fun as they have traveled to Garden Place on four dates in November and December to play “Farkle” with the residents. Both students and residents have enjoyed the events, and we look forward to more opportunities like this in January and February. Our third, fourth, and fifth grade brought joy to Garden Place on December 17 when they went caroling there. The smiles on the residents' faces were wonderful.

The end of the quarter was on December 19 and report cards will go home on January 9. Our students will return on January 6 after a nice break. Please also mark your calendars for January 19 as this is a holiday, M. L. King J.’s Birthday. Lutheran Schools week will be held on January 26 - 30. As always, there will be fun, fellowship, and outreach. Dress-up days will be announced closer to that week, and St. John’s will be collecting donations for a good cause. January 30 is the 100th Day of School and an early dismissal day; 11:20 am.

We will have many games and tournaments for basketball to fill our evenings in January and just be getting into volleyball as the month ends, so please watch the church and school calendar for event schedules.

May the Lord Bless and Strengthen You,

Mr. Justin Palm

LCMS Stewardship Ministry

“And he who was seated on the throne said, ‘Behold, I am making all things new. Also, He said, ‘Write this down, for these words are trustworthy and true’ (Revelation 21:5).

In January there is a great deal of “new” talk. Parties are held to ring in the “new” year. “New” year’s resolutions are made to set a “new” course of life in the “new” year. There is date forgetfulness as checks and other forms are filled out without using the “new” year on the dateline.

We use all this “new” talk because there is very often so much wrong with the old in us. We think back to the “new” resolutions from the previous year that only lasted a few weeks. That “new” person did not shed any pounds and instead, picked up a few. The “new” habits of going to the gym were soon replaced by even more time on the couch binging on Netflix. The “new” person who does not lose their temper, use sarcasm as a lethal weapon and spend more money than necessary, but who worships, prays and serves the Lord and the neighbor, never seemed to stick around. We need “new” talk because the Old Adam is alive and well within every one of us.

But this promise of “new” is a matter of stewardship. It is the Lord Himself who makes the promise of all things being new. These words recorded by St. John are not pious wishes or hopeless promises. They do what they say. YOU, that one baptized into Jesus’ death and resurrection, are NEW! These words are indeed trustworthy and true. This “new” comes to you in the Gospel of Jesus Christ. It comes free of charge, even without our prayers.

This stewardship of “new” is not a vague, someday kind of stewardship either. You are NEW now! Forgiven. Reborn from above. The old is gone, nailed to Calvary’s cross and buried and rotting in a tomb that was only borrowed by Jesus for His resurrection rest. The Gospel is what makes us NEW every morning. Remembering your baptism, you are new. Confessing your sins and receiving absolution makes you new. Hearing the Gospel filling your ears makes you new. Feasting on Christ’s body and blood in the Holy Supper makes you new.

These mercies, totally undeserved as they are, are entrusted to us to steward TODAY even as we long for the Last Day. But we know how often we fail in this stewardship. We hoard God’s creation as if it belongs to us. We belittle and devalue our neighbor because they look or sound or act in a way that we do not like. We seek to make the Holy Word of God softer and more palatable for those, or even ourselves, who refuse to confess sin as sin and repent. We value our comfort over truth, our

reputation over faithfulness and our treasure over making sure that people get to hear of the Jesus who has done so much for the world and us.

We, as stewards of the Gospel, need to be made new every day. This is exactly what the Lord does. We failed in stewardship of the Gospel last year, so He gives us a new year. We failed in stewardship of the Gospel yesterday, and He gives us a new day. We failed in stewardship of the Gospel in the last few minutes, and yet in mercy our newness comes with each tick of the clock! Because that is how the Lord works.

As we see this working of all new things in us, it then calls us to be stewards of this newness to the world. This starts right in our own homes. It radiates out to our neighbors. It beams out from our congregations. This newness is teamed at the circuit, district and Synod levels all to shine the newness of the Gospel to those who need it.

Your new talk starts in the newness of the Gospel. Steward this treasure in this new year and this new day. It starts with a new you in Jesus. This is indeed trustworthy and true.
